Thank You Legion Post #58

We would like to thank Genesee's Legion Post #58 for donating a United States flag that will be flown outside during school hours. Fifth grade students are responsible for displaying the flag and appreciate the generosity of our local veterans for making this meaningful donation to our school.

Boxtops for Education

The first submission date for Boxtops for Education is the end of October, so please send your summer boxtop collections to school with your child. Boxtop monies are used to fund educational activities throughout the year for elementary students. Thank you for your support of this program!
