Dear Parents/ Guardians and Students,

What a great beginning to the school year. Thank you for entrusting us with your children. We are excited to be able to have the opportunity to grow and work together this upcoming school year.

As part of our communication process, we will be sending out updates on a weekly basis to keep you informed of events throughout the district. We hope that you will find the updates relevant and useful.

### **Breakfast / Lunch:**

Please note that the free breakfast and lunch program has been discontinued for all students. **Parents must fill out the free/reduced lunch applications to be eligible for free/reduced breakfast and lunch.** Forms may be found at <https://www.sd282.org/Page/15> or you may contact Food Service Director Charlotte Craig at [ccraig@sd282.org](mailto:ccraig@sd282.org).

### **2022 Breakfast/Lunch Costs:**

- Breakfast PK-12 \$2.60
- Lunch PK-6 \$3.10
- Lunch 7-12 \$3.30
- Adult Lunch \$4.35
- Milk \$0.50
- Extra Entree 7-12 \$1.50

### **BUS ROUTES:**

If you need any assistance with your child(ren)'s bus route, **please contact Jeff Williams, Transportation Director at 208-285-1213.**

### **COVID Protocols**

We are currently working to update our protocols. **Basically, it comes down to this:** If staff or a child has tested positive, we ask that they stay home for 5 calendar days, following the 5-day quarantine, if symptom free staff/students may return to school but will be asked to wear a mask for the following 5 calendar days. **We are not expecting anyone to quarantine for being exposed, or they test negative.** As soon as we get board approval on the new protocols, we will update them on our district website.

As always, if your child is sick or running a fever of 100.4 or higher, we ask that you keep them home until symptoms have passed. Please contact the district office at 208-285-1162 if you have any questions or to excuse a student's absence.

## **SPORTS**

Schedules will be updated and posted to the website regularly. With the shortage of officials, we know there will be games that will be moved, we just don't always know which dates have the biggest conflicts. We will continue to notify parents as efficiently as we can, and we ask that you please pass on to grandparents and other fans that are not in our parent email lists. Thank you for your help with helping to spread the word!

Jr. High VB will start on Sept. 19<sup>th</sup>, so please schedule physicals for JH girls that want to play as soon as possible. Physicals are required for 7<sup>th</sup> grade students, students who didn't play a sport last year, and new JH students.

## **STUDENT LAPTOPS**

Student Laptops for the JH and HS students. I want to publicly extend a big "thank you" to Mr. Jim Bayer, our IT Director, for getting the student laptops up and running for the first week of school. Every secondary student has a new device, and we've impressed upon them to treat devices with care and respect. If you can help encourage students to charge their device nightly at home, we would really appreciate that as well.

Have a great weekend!

Mrs. Wendy Moore, PhD.  
Superintendent/ Elem Principal

Mr. Kelly Caldwell,  
Secondary Principal/ AD
