Summer is under way, and so are summer projects. The gym floor replacement is in motion, we're updating and modernizing door locks, and improvement to our network are just a couple of the projects going on at this time. We also have projects with scheduling and staffing that will be new for the 24-25 school year.

We are going to a Middle School type model for our 6th-8th grade students. They will rotate through classes like JH students have done in the past, have their own lunch time and hallway area to hang out. Changes to curriculum, changes in enrollment and the fact that 6th graders fit better with 7th & 8th graders have prompted us to go in this direction. Some Rules & Expectations will be differentiated between Middle School and High School, and hopefully students will learn to earn the privileges in time for High School. Middle School students will need to come in to school to register in August, and there will be pre-registration materials sent home in early August.

We will also include 6th Grade students in JH sports. 6th-8th grade students will be able to participate in JHFB, JHVB and JH Basketball. We know there are parents interested in starting a town tackle football team for 5th & 6th graders. 6th graders will be able to play on the JH team OR the tackle team, but not both. Either one is fine with us, we just want them to be able to play. *Sports physicals* will be required for 6th & 7th graders playing a school sport. 8th graders that played a sport last year will not need an updated physical until 9th grade. We will have more updates in August.

Genesee Golf Fundraiser The annual Genesee Athletic Department Golf Fundraiser will be held June 27th, 4pm at Bryden Canyon Golf Course in Lewiston. Please see the flyer below with more details. Even if you're not a golfer, you can still attend the BBQ dinner and auction at the end of the Golf Scramble around 6pm.

GYM Floor Update

The original **Ozzie Kanikkeberg Gym** floor has been removed, with the exception of the area supporting the bleachers. Those sections will be removed in late July.

Some of the floor sections we originally mentioned (for purchase through donation) have changed based off the removal process, and as a result we have changed some of the suggested donation prices too. We will have sections of the floor available for purchase through a suggested minimum donation. We are still taking orders for this fundraiser, if people should want to have a piece of this school history. Those of you who have already completed the form will be contacted to arrange a pickup time. The engraved boards will start to become available in mid-August. All proceeds will go to updates in the gym. Please use the QR code to complete the pre-sale form.
