Weekly Update:

- **COVID Update:** **Green.** Masks are optional for all students, staff and guests. We have one confirmed student case of Covid, so please continue to watch your child(ren) for any symptoms. If they exhibit any symptoms, we ask that you keep them home as a precautionary measure.
- **THANK YOU!** We would like to thank all of you who voted to support our Supplemental Levy for next school year. I know that it was a tough decision for many of you, but I want to assure you that we will continue to be fiscally responsible with your funding and continue to serve our students and community to the best of our abilities. We literally could not offer what we do without your support. Thank you.
- **Graduation – Congratulations to all our Seniors!** Graduation will be held on May 28th at 11:00 in the main gym. No masks are required to attend. Please join us to celebrate our Seniors!
- **State Sports update** It is so great to see all of our spring sports teams competing in the state tournaments and track meet this weekend. Track athletes narrowly missed the finals in their events. The Baseball team finished 2nd in the state tournament after defeating Glens Ferry and CV to face Troy in the championship. The Softball team finished 2nd as well after defeating Kendrick, Greenleaf Friends, Notus and Glens Ferry to face Potlatch in the championship. It is great to see our students finishing up the school year competing with each other and having fun in sports and other school activities. Thank you for all of your support for our student athletes!

Thank you for your continued support of the Genesee Joint School District.

Sincerely,

Dr. Wendy J. Moore
