**Before we go...**

We cannot thank you enough for all your support and help this year. It took a tremendous amount of energy and resources to keep our students face to face this entire year. As administrators we felt your support and thank you for being understanding and flexible when changes had to be made. We literally couldn't have done what we did this year without you!

Sincerely,

Dr. Wendy Moore, Superintendent/ Elem. Principal

Mr. Kelly Caldwell, Secondary Principal/ AD
