Dear Genesee Parents and Guardians,

Current Status: **Green.** We will continue to stay in green this upcoming week. We currently have one staff member and no students with new confirmed cases. We do have a few students who are currently in quarantine due to outside exposure.

Thank you for continuing to communicate with us in a timely manner regarding exposures, illnesses etc., and reminding your students to use best health practices, such as washing hands regularly, covering mouth and nose when they sneeze, cough. All of these actions make a difference.

COVID Test kits: The district has obtained additional VAULT Test kits and has them available for families to use when needing to test. If you need a free test kit, please contact the office to pick up your free test kit. You may also request FREE vault tests to be sent directly to your home by contacting 2-1-1. Additional information can be found at: <https://healthandwelfare.idaho.gov/news/free-home-covid-19-tests-are-available-idaho-dialing-2-1-1>

Thank you for your continued support of Genesee Joint School District.

Sincerely,

Dr. Wendy J. Moore
