Dear Genesee Parents and Guardians,

Current Status: We currently have six students with confirmed cases and no staff members. The students with confirmed cases originated outside of the school. Five of the six students with confirmed cases have NOT been in the school building this week, and those who have been exposed have been notified. Unless we hear of more cases over Thanksgiving break, will we remain in **GREEN** when we return from the Thanksgiving holiday, since the 10-day quarantine period will be over before we return on November 29th.

If you do become ill or have students with illness over break, please note the date of the onset of symptoms so we can help you determine when they can return to school following break. You can email us over break if you have any questions.

Thank you for continuing to communicate with us in a timely manner regarding exposures, illnesses etc., and reminding your students to use best health practices, such as washing hands regularly, covering mouth and nose when they sneeze, cough. All of these actions make a difference.

COVID Test kits: The district has obtained additional VAULT Test kits and has them available for families to use when needing to test. If you need a free test kit, please contact the office to pick up your free test kit. You may also request FREE vault tests to be sent directly to your home by contacting 2-1-1. Additional information can be found at: <https://healthandwelfare.idaho.gov/news/free-home-covid-19-tests-are-available-idaho-dialing-2-1-1>

Thank you for your continued support of Genesee Joint School District. We are wishing everyone a safe and happy Thanksgiving holiday!

Sincerely,

Dr. Wendy J. Moore
