Dear Parents/ Guardians and Students,

Covid Update: We had no confirmed case of Covid during the week of Oct. 31 – Nov. 4

We have had some students with flu – like symptoms, so please continuing to keep your child home if they have been sick or feeling unwell. As always, if your child is sick or running a fever of 100.4 or higher, we ask that you keep them home until symptoms have passed. Please contact the district office at 208-285-1162 if you have any questions on Covid Protocols or to excuse a student's absence.

Missoula Childrens Theatre – MCT will be here on Nov. 7 – 11th. All students in grades K-12 are invited to try out for parts for the performance of Johnny Appleseed on Monday, Nov. 7th from 3:30 – 5:30. If you have any questions, please contact the school office.

Empowering Parents Grant: Empowering Parents is a State of Idaho grant program funded by Federal Coronavirus Relief Funds. It provides Idaho students from K-12 access to funds that can be used to purchase educational goods and services. If interested: <https://empoweringparents.idaho.gov/>

Broadband connectivity speed test: The Latah County Broadband Coalition in conjunction with Clearwater Economic Development Association (CEDA) are asking parents and patrons in our region to submit an internet speed test to provide data to help build the case for better connectivity in the remote and rural regions in our region. To take the speed test and register the internet speed data use this link for the test and to submit the data. Thank you for your help with this process. Here is the Speed Test link: <https://clearwater-eda.org/internet-speed-test/>
