November 5, 2021

Dear Genesee Parents and Guardians,

Current Status: **Green.** We will continue to stay in green this upcoming week. We have had one new confirmed case of a staff member; no new cases for students. We thank you for continuing to communicate with us in a timely manner regarding exposures, illnesses etc.

We do ask that you please remember the following protocols:

- If you do have a child with symptoms, we ask that you keep the child as well as siblings' home until you receive a negative test result or if they are symptom free.
- If you have a household member that is Covid testing (adult / student) we ask that all students remain home until test results are confirmed.

Thank you for reminding your students to use best health practices, such as washing hands regularly, covering mouth and nose when they sneeze, cough. All of these actions make a difference.

COVID Test kits: The district has obtained additional VAULT Test kits and has them available for families to use when needing to test. If you need a free test kit, please contact the office to pick up your free test kit. You may also request FREE vault tests to be sent directly to your home by contacting 2-1-1. Additional information can be found at: <https://healthandwelfare.idaho.gov/news/free-home-covid-19-tests-are-available-idaho-dialing-2-1-1>

Parent-Teacher Conferences – If you were unable to meet with your child(ren)'s teacher(s) this past week and would still like to meet with them, please email them directly to schedule a meeting or a Zoom conference.

Our greatest priority is the safety of our students, staff, and community members. We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together.

Thank you for your continued support of Genesee Joint School District.

Sincerely,

Dr. Wendy J. Moore
Superintendent/ Elem. Principal

Mr. Kelly Caldwell
Secondary Principal/ AD
