Dear Genesee Parents and Guardians,

Current Status: **Green.** This past week we received notification that two (2) Genesee Joint School District elementary student have tested positive for COVID-19. After consulting with the local Health District and families affected, we do not believe that the exposure happened at school, but from outside the district. Therefore, we will continue to remain in Green and watch the numbers next week.

Superintendent:
Wendy J. Moore

Principal:
Kelly Caldwell

Counselor:
Jon Scripser

Clerk:
Melissa Lindquist

Test kits: The district has obtained additional VAULT Test kits and has them available for families to use when needing to test. If you are in need of a test kit, please contact the office to pick up your free test kit. You may also request FREE vault tests to be sent directly to your home by contacting 2-1-1. Additional information can be found at: <https://healthandwelfare.idaho.gov/news/free-home-covid-19-tests-are-available-idaho-dialing-2-1-1>

We do ask that you please remember the following protocols:

- If you do have a child with symptoms, we ask that you keep the child as well as siblings home until you receive a negative test result or if they are symptom free.
- If you have a household member that is Covid testing (adult / student) we ask that all students remain home until test results are confirmed.

As per CDC recommendations, we encourage you to continue to use and encourage best practices to help prevent the spread of COVID-19:

Our greatest priority is the safety of our students, staff, and community members. We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together.

Thank you for your continued support of Genesee Joint School District.

Sincerely,
