

October 8, 2021

**School COVID Status:** **YELLOW** – As of today, we have a couple of families in self quarantine that have been exposed outside the school building.

**Masks:** Thank you for reminding your students to bring a mask to school. The district is no longer receiving free masks from the state, so we appreciate your assistance by having your student bring their own mask. Masks will be provided to those students who do not have one. **Students will not be required to wear masks during breakfast/lunch or during outside recess or outside PE.**

**UPDATED COVID Protocols:** Protocols for the 2021 school year have been updated. The new protocols can be found at: <https://www.sd282.org/> under Announcements.

**Communication:** *Please be sure to contact the school office at 208-285-1162 if you or your children have been exposed or show symptoms of COVID, so we can be sure that we are following safety protocols.*

**Athletics:** **Masks are required of all spectators for INSIDE sporting events.** We ask that people please respect our requirements so students can keep playing, and parents and fans are able to attend the games. We are still broadcasting games over the NFHS Network. We do ask if you do not feel well to stay home and catch the games over the network. Most of our league schools broadcast over the NFHS Network. If this is of interest, please go to the following link <https://www.nfhsnetwork.com/> to create an account and sign up. You can purchase a monthly or an annual subscription, this is also used to broadcast state tournaments.

**The Homecoming Football game vs Kamiah was moved to Saturday at 4pm.**

**Employment:** If you know of anyone who is looking for a full-time position, we currently have a second shift custodial position open. The hours are from 3:00 – 11:30. It offers full time benefits and PERSI retirement opportunities. If interested, please contact Melissa Lindquist at [mlindquist@sd282.org](mailto:mlindquist@sd282.org) or 208-285-1161.

Thank you for all your support! We appreciate you continuing to support our school district through these uncertain times.

Sincerely,

Dr. Wendy Moore, Supt. / Elem. Principal

Mr. Kelly Caldwell, Secondary Administrator
