September 12, 2022

Dear Parents/ Guardians and Students,

Covid Update: We had one confirmed case of Covid during the week of 9/5-9/9. Typically, when we begin the school year and have the local fair, we tend to see an uptick of cold/flu like symptoms in students. As always, if your child is sick or running a fever of 100.4 or higher, we ask that you keep them home until symptoms have passed. Please contact the district office at 208-285-1162 if you have any questions on Covid Protocols or to excuse a student's absence.

2022 Breakfast/Lunch Costs:

- Breakfast PK-12 \$2.60
- Lunch PK-6 \$3.10
- Lunch 7-12 \$3.30
- Adult Lunch \$4.35
- Milk \$0.50
- Extra Entree 7-12 \$1.50

Elementary Parents:

The Elementary (PK-6) is working on building a [Leader in Me](#) program for our elementary students and staff. We will be working with students in PK-6 throughout the year to teach/learn about 7 Effective Habits. We believe that every student has the ability to lead, we just need to find out their personal strengths and build a school environment that fosters each student's strengths and abilities. Teachers will continue to update you throughout the year as far as what students are learning and what great projects and opportunities we will be developing throughout the school year. If you are interested in learning more, I recommend you click on the link above for an introduction video.

As part of this process we will be asking parents to fill out a survey. Please take a moment to fill out the parent survey found at:

<https://www.leaderinme.com/s/genesee-elementary-school/families>

Information from this survey will be used in our planning for the 2022/23 school year. We appreciate you taking the time to give us your input.

Secondary Parents:

The teachers have updated their welcome videos on their teacher webpages, and invite you to contact them if you want to come in and meet them personally. If students need to be absent we encourage them to reach out to their teachers via email to find out directly what their assignments will be.

Athletics:

HS football and Volleyball are underway, as well as JH Football. JH Volleyball starts next week. For the outside sports if the poor air quality is above 150 (orange level) we will be indoors for practice, recess, as well as PE classes. Students should have a pair of shorts and gym shoes with them for this occasional change of practice.

Genesee is also very fortunate to have a certified Athletic Trainer. Becky Pickard is our Athletic Trainer (amongst many other roles she holds for our school). Should an athletic injury occur, we encourage parents and students to talk to Becky first, to see if she can help at the local level before going directly to the doctor. Becky attends as many practices and games as she can. You can always reach Becky at bpickard@sd282.org.

The Varsity FB game vs. Kendrick this week is on **Thursday**, Sept. 15th to help out with officiating crews.

The Varsity VB match with Logos was moved to **Wednesday** 6/7:30 to accommodate officiating crews as well. The shortage of officials is real, and this will most likely be the new normal until officiating numbers increase.

Thank you again for your support of Genesee Schools!

Mrs. Wendy Moore, PhD.
Superintendent/ Elem Principal

Mr. Kelly Caldwell,
Secondary Principal/ AD
