

## **Genesee Education Foundation ANNOUNCEMENT**

### **2020-2021 PROJECT GRANTS**

For the 21st year in a row, the Genesee Education Foundation Board is sponsoring an educational project award program to benefit students of the Genesee Joint School District. This year the project grant program has been expanded and is designed to provide project awards of up to \$750.00 to teachers and other interested citizens and groups to implement innovative educational projects during the 2018/19 school year. Funds are made possible by the interest and dividend income of the Foundation endowed investments.

**Eligibility:** Any person or group is welcome to submit an application for a project which benefits the students of the Genesee Community School.

**Objectives:** All proposed projects should support the Genesee Joint School District's Long-Range Plan and Graduate Expectations (copies are available upon request). In addition, the GEF Board is pursuing projects which:

- 1) benefit the greatest number of students
- 2) are outside the normal budget process
- 3) are not for capital improvement projects

**Restrictions:** Capital improvement items are not eligible for project awards.

**Applications:** Applications are available from the school district office or a member of the Board of the Genesee Education Foundation.

**Deadline:** Applications for project grants will be accepted at any time but will only be acted upon at quarterly meetings of the GEF Board. Applications should be submitted to Superintendent, Mrs. Wendy Moore

**Questions:** Contact Dr. Wendy Moore, Superintendent at 330 West Ash Street, PO Box 98, Genesee, ID 83832 or (208) 285-1161.

## **2020/21 PROJECT GRANTS**

### **RESPONSIBILITIES OF GRANT RECIPIENTS**

- 1. Successful applicants may access their grant funds anytime after approval.**
- 2. Grant funds must be fully spent within one calendar year of approval. Any remaining funds will be assimilated by the Foundation.**
- 3. Grant funds must not be overspent. A successful grant award does not guarantee recipient additional funding in future years beyond the term of the initial project.**
- 4. Project grants are discrete awards and are not dependent on any other matching funds the recipient may or may not receive. If necessary matching funds from other sources are not received, recipients may use project grant to fund activities as closely related to the initial project as possible with the approval of the GEF Board.**
- 5. Grant recipients must submit a project report to the GEF Board at the conclusion of the project. The report shall contain an evaluation of the project results; an itemized financial accounting; photographs or other tangible products of the recipient's efforts. Recipients are urged to submit a display board telling about the project.**
- 6. Tangible items purchased or created as part of the project shall be clearly labeled has being made possible, in whole or in part, by a grant from the "Genesee Education Foundation, Inc."**
- 7. Grant recipients may be required to attend meetings or presentations to explain their projects.**
