Supplemental Levy Election – March 14, 2023 (FY24)

The Genesee Joint School District #282 will be asking voters on March 14, 2023 to **RENEW** the district's one-year levy of \$1,185,000. This supplemental levy allows our district to maintain the quality of educational programs and opportunities for students of the Genesee Joint School District #282.

The estimated average annual cost to the taxpayer on the proposed levy is a tax of **\$ 442.46 per \$100,000 of taxable assessed value (\$4.42 per 1,000)**, per year, based on current conditions. Currently, the District collects a supplemental levy authorized in the amount of \$1,185,000 which will expire when the proposed levy (\$1,185,000) goes into effect on July 1, 2023.

The determination of the levy amount is based on the **discrepancy between the revenue the district receives from state and federal funding and the educational needs** as determined by the Board of Trustees. Considering the property tax reduction provided by the agricultural equipment replacement exemption and the personal business property tax exemption, the **estimated cost of the levy will be approximately \$1,113,881.00.**

| <u>Estimated taxable assessed value</u> | <u>2022/23 Estimated supplemental levy tax</u> | <u>2023/2024 Estimated supplemental levy tax</u> | Estimated decrease with new levy rate |
|---|--|--|--|
| \$100,000 | \$534.00 | \$442.00 | (\$92.00) |
| \$200,000 | \$1068.00 | \$884.00 | (\$184.00) |
| \$250,000 | \$1335.00 | \$1105.00 | (\$230.00) |
| \$300,000 | \$1602.00 | \$1326.00 | (\$276.00) |
| \$400,000 | \$2136.00 | \$1768.00 | (\$368.00) |

JUNIORS: Idaho School Day SAT on Wednesday, April 12th

To help more Idaho students to see college as a possibility for themselves, the Idaho State Department of Education (S.D.E.) has a contract with The College Board, the company who designs and administers the SAT test. **Under this contract the S.D.E. will pay for all Idaho public school juniors to take the SAT on the morning of Wednesday, April 12th.** All Genesee juniors have been registered to take the SAT here at the school April 12th.

If preferred students may also take the ACT to meet the admission requirement of any college or university that requires a score from a college entrance exam, but the student would be responsible for the testing fee, getting registered for the test and getting themselves to one of the testing centers in our area on one of the Saturday national test dates. Students who submit results from multiple college entrance exams are evaluated by colleges based on their strongest test scores. More info at www.act.org.

The SAT on April 12th will take all morning, starting at 8:00am and running through the lunch hour. The school will provide snacks during the test as well as lunch after the test before releasing students to their afternoon classes.

Please do everything in your power to ensure your son or daughter in the junior class will be in attendance all day on Wednesday, April 12th. Feel free to contact me if you have any questions about the IDAHO SAT test at jscrippter@sd282.org or by phone at 285-1162.

Free SAT Practice resources at Khan Academy

JUNIORS: There is still time to improve your SAT scores by spending time practicing on the free Khan Academy SAT program. If you haven't already done so, log into your account at www.collegeboard.org, then link your PSAT results to the Khan Academy practice site for a personalized SAT practice program that includes thousands of SAT questions and four full-length SAT practice tests. Even an hour or two a week between now and the test can help you feel more familiar with the SAT format and more comfortable to do your best work on April 14th. I have seen students in the past raise their scores by over 100 points by spending 10-15 hours on the Khan Academy practice materials. You can also use the Khan Academy practice resources without linking your PSAT results if you prefer to, at khanacademy.org/sat

Local Scholarships for Graduating Seniors

Genesee School is fortunate to have an extremely generous local scholarship program which awards scholarships to many of our graduating seniors every year. **I will speak to the seniors about the application processes for these local scholarships around the end of February.** None of the local scholarship applications are very extensive and seniors will have approximately two months to complete their application forms and supporting documents.

Message to Groups Who Award Local Scholarships

I will be meeting with the senior class toward the end of February to go over the application processes for this year's local scholarships and grants awarded at graduation. **I will presume your group will be awarding your scholarship(s) or grants for graduates this year similarly to what your group did last year, unless you contact me to let me know something different.** Please contact me as soon as possible if you need to change the amount of your scholarship, if you will no longer be offering a scholarship or if you want to start a new scholarship for Genesee graduating seniors. Thank you.
