Genesee Child Find

Upcoming College & Career Prep Events At A Glance

Juniors: SAT Test April 12th 8:00am-1:00pm at the school

Seniors (headed to the University of Idaho next year): **UldahoBound March 25th or April 7th**

Register for this event at: <https://futurevandals.uidaho.edu/portal/uidaho-bound>

Seniors (headed to LCSC next year): **Set up a STAR Advising session for next fall**

Register for an advising session: <https://www.lcsc.edu/advising/new-students>

All 8th Graders & Parents: 4 Year Plan Workshop Tuesday May 16th 7:00-8:00pm

JUNIORS: Idaho School Day SAT on Wednesday, April 12th

The Idaho State Department of Education (S.D.E.) has a contract with The College Board, the company who designs and administers the SAT test, for several years now. **Under this contract the S.D.E. will pay for all Idaho public school juniors to take the SAT on the morning of Wednesday, April 12th.**

The SAT on April 12th will take all morning, starting at 8:00am and running through the lunch hour. The school will provide snacks during the test as well as pizza for lunch right after the test, before releasing students to their afternoon classes.

I will also meet with the juniors during second period on Tuesday, April 11th, to help them fill in their demographic information on their answer sheets in advance of the test. This will shorten the length of our test session by about 45 minutes, so please try to be in attendance for Careers class on Tuesday as well.

Students may be opted out of taking the SAT test by their parent. Please contact Mr. Scriptor by April 5th if you wish to opt your student out of the SAT. However, I would encourage juniors planning to attend college to take the SAT, as the results are used to help place college freshmen in the most appropriate Math and English courses.

Please do everything in your power to ensure your son or daughter in the junior class will be in attendance all day on Wednesday, April 12th. Feel free to contact me if you have any questions about the IDAHO SAT test or to opt your student out of the SAT at jscripter@sd282.org or by phone at 285-1162.

Free SAT Practice resources at Khan Academy

JUNIORS: There is still time to improve your SAT scores by spending time practicing on the free Khan Academy SAT program. If you haven't already done so, log into your account at www.collegeboard.org, then link your PSAT results to the Khan Academy practice site for a personalized SAT practice program that includes thousands of SAT questions and four full-length SAT practice tests. Even an hour or two a week between now and the test can help you feel more familiar with the SAT format and more comfortable to do your best work on April 12th. You can also use the Khan Academy practice resources without linking your PSAT results if you prefer to, at www.khanacademy.org/sat

Four Year Plan Workshop: 8th Graders & Parents

Tuesday May 16th @ 7:00pm

The State Department of Education's Idaho Administrative Code for Public Schools requires that all students have a Four Year Plan developed and placed in their school file by the end of the eighth grade year. This plan is to be the cooperative effort of the student and their parents, with the assistance of school personnel. The primary objective of this plan is to develop an initial plan of academic course choices for the four years of high school. Another desired outcome of this plan is to help the students to perceive the connection between their high school course choices and the impact those will have on their educational and/or career options after high school.

Mr. Scriptor will be conducting a Four Year Plan Workshop for eighth graders and their parents here at the school on Tuesday, May 16th. The workshop will run from 7:00-8:00p.m. and will be held in the multi-purpose room. **Again, all students are required to have a four year academic plan for high school by the end of the eighth grade year, so please make every effort to attend this event.**

Local Scholarships for Graduating Seniors

As we did beginning with the class of 2020, all local scholarship applications and supporting documents will be submitted digitally. Seniors have been provided digital folders and their own copies of all the scholarship application forms, which only they and Mr. Scriptor have access to. After the submission deadline Mr. Scriptor will distribute all of the applications and documents to the groups responsible for evaluating the applications and selecting the recipients.

The deadline for seniors to submit all applications and supporting documents for this year's local scholarships is by 4:00pm on Thursday, April 27th.

College-bound seniors can also search and apply for national and regional scholarships via these free web resources: - www.fastweb.com www.college-scholarships.com www.collegeexpress.com
