## **Four Year Plan Workshop: 8<sup>th</sup> Graders & Parents – May 16<sup>th</sup> @ 7:00pm**

The State Department of Education's Idaho Administrative Code for Public Schools requires that all students have a Four Year Plan developed and placed in their school file by the end of the eighth grade year. This plan is to be the cooperative effort of the student and their parents, with the assistance of school personnel. The primary objective of this plan is to develop an initial plan of academic course choices for the four years of high school. Another desired outcome of this plan is to help the students to perceive the connection between their high school course choices and the impact those will have on their educational and/or career options after high school.

**Mr. Scripser will be conducting a Four Year Plan Workshop for eighth graders and their parents here at the school on Tuesday, May 16<sup>th</sup>. The workshop will run from 7:00-8:00p.m. and will be held in the multi-purpose room. Again, all students are required to have a four year academic plan for high school by the end of the eighth grade year, so please make every effort to attend this event**

## **Genesee FFA Chapter Newsletter**

These past few months have been the busiest and most exhausting months we've had. In April we went down to Twin Falls for the 2023 FFA State convention where we had teams competing in Horse Judging and Floriculture. We had 2 individuals compete in proficiency (Brooke Stapleton and Maxine English) and 4 members receive their State Degrees (Maxine English, Brooke Stapleton, Quinn O'Connell, and Derek Burt). We also had 3 recipients of FFA Foundational scholarships worth \$1,000 (Brooke, Maxine, and Derek). We are currently organizing the 2023 FFA Award Banquet on May 8<sup>th</sup> and are looking forward to seeing many faces there!
