# Sharing Tree

The Sharing Tree is a project sponsored by the Genesee Education Association. We have been participating in this wonderful project for over 35 years. The intent of the project is to provide gifts to Genesee children when money might be a little tight during the holidays. Each year we try to provide winter clothing and/or a new outfit, and a few fun things to help make Christmas special. Last year we provided gifts for 16 families (40 children) in our community. The generosity shared by Genesee and beyond is truly amazing and heartwarming.

The Sharing Tree for Latah County is set up at the Palouse Empire Mall at the end of November and the first couple weeks of December. Tags for Genesee children will be placed on the tree right before Thanksgiving and new ones will be added in early December. ***Tags for children in our community are RED.*** Gifts can be returned (**unwrapped please**) to the sleigh in the mall or directly to the main school office no later than Monday, December 11. If you have questions about the Sharing Tree, would like to make a donation to this project, or would like to pick up tags directly as they are available, please contact Melissa Hanson at school (285-1162 or [mhanson@sd282.org](mailto:mhanson@sd282.org)). Thank you for your generous support of the Sharing Tree project!
