Dear Elementary School Parents,

We are thrilled to announce that our elementary school plans to adopt a new English Language Arts curriculum for kindergarten through 5th grade. The K-5 ELA Curriculum Committee will recommend CKLA to the Board of Education for adoption. CKLA (Core Knowledge Language Arts) by Amplify is a comprehensive, research-based curriculum that builds strong readers, writers, and thinkers.

CKLA's engaging content and rigorous instructional approach will greatly benefit our students, providing them with a solid foundation in literacy skills and knowledge across various subjects.

Your input is incredibly valuable to us. To ensure the implementation of CKLA aligns with the needs and expectations of our school community, we invite you to participate in a two-week open comment period open April 19th through May 3rd. During this time, we encourage you to share any thoughts, questions, or concerns about the new curriculum.
